June 2023

Dear STRADFAS Member,

We hope you are happy to renew your membership this year.

Our new STRADFAS year, from **September 2023** to **June 2024**, starts with our first lecture on **21st September**

Subscription renewals

This year, our subscription is **£52 per member**, which includes membership to the Arts Society, and receipt of their magazine.

In line with other branches of the Art's Society, and with the central AS membership policy, we are encouraging members to join or renew electronically.

We will be again inviting you to renew via an **online form**, which you will receive in July. We do hope you take advantage of this, as it only takes a couple of clicks, and is so much easier for you.

But if you prefer, you can use the forms available on the STRADFAS website, accessed by pressing the "Join Us" button on the top left corner of the screen. Then please email to **membership@stradfas.org.uk**.

Payment methods are by Direct Debit (our **preferred** payment option for its simplicity both for our members and our hard working committee.) Also payment by card machine at a lecture, is quick and easy. BACS and cheque are still acceptable, although we would prefer not to receive the latter. Thank you.

The 2023-2024 programme details are on our website, which gives information with any updates on our lecture and events **www.stradfas.org.uk** This year's programme is a very exciting one. We hope you agree.

Non-renewals

It is very helpful if you let us know if you are unable to re-join. If you decide to leave, you would be welcome as an occasional visitor with a £10 donation per lecture. But remember that our existing membership will have priority for Days of Special Interest, Day Visits and Extended Tours as well as receiving the excellent quarterly Arts Society magazine.

We look forward to receiving your completed membership renewal form.

Very best wishes
